Attachments: HI Honolulu High-Capacity Transit Corridor Project -- TOA briefing.doc

Sigh... One more change. Please replace the second doc in the last e-mail with the attachment here.

No more, I hope.....

Thanks.

Ooops. Based on new information just in, I've had to revise that document and add a new one. Please put the two attachments into that same folder. One of the attachments will overwrite the earlier document. Thanks.

Thanks.

One last request: please put the attached into the PE folder for the FY2011 roll-out stuff.

Thanks very much!

Here is one more from the "2011" folder, that might have relevance to whatever you have to do.

Here is the folder we discussed, from the S drive.

Let me know if you can open it okay.
